

*When I was just a little girl,*

*about your size.*

*I dreamt that one day I would  
fall in love and get married too.*

*So now I'm all grown up,*

*about to be a bride.*

*I want you to be my flower girl,  
right by my side.*

*For it's common knowledge that  
a wedding is incomplete  
without a pretty girl like you.*

*Love Aunty Sharné*
